

**Changes to BIIAB Award for Personal Licence Holders handbook and workbook required by
the Policing and Crime 2017 (Commencement Number 1 and Transitional Provisions)
Regulations 2017**

On 6 April 2017 a number of new conditions came into force applying to licensed premises. This introduction aims to clarify the law on summary reviews of premises licence, grants greater powers to licensing authorities and expands on the definition of alcohol. This addendum details the changes required to the Award for Personal Licence Holders handbook and workbook following this change.

Whilst every effort has been made by BIIAB to identify all affected areas of the handbooks, it is possible that some may have been missed. Should you identify any such areas, please notify BIIAB immediately at Qualifications@BII.org.

The learning outcomes and assessment criteria for qualifications have not been affected by these changes.
