

Changes to BIIAB Security workbooks required

Following an internal review, it has come to BIIAB's attention of an update required to the Award for Working as a Door Supervisor workbook.

The learning outcomes and assessment criteria for BIIAB security qualifications have **not** been affected by these changes, and this will **not** affect current assessments.

Award for Working as a Door Supervisor within the Private Security Industry workbook

Section and Page Number	Text to be changed
Section 3.11, Accident Reporting Page 11	Remove first bullet point (under third paragraph) and replace with: <ul style="list-style-type: none">• an employee is away from work for more than seven days
