### Qualification Purpose

The primary purpose of this qualification is to enable the learner to develop knowledge in the subject of end of life care and to prepare for further learning or training.

### Qualification Overview

The Level 3 Award in Awareness of End of Life Care is for learners who ideally have achieved a Level 2 qualification in health and social care and are looking to develop their knowledge of this subject area.

This qualification is particularly appropriate for those working at a senior or supervisory level in hospices, care homes, care in the community and primary care.

### Qualification Structure

Learners must achieve the following mandatory units:

- Understand how to work in end of life care
- Understand how to provide support when working in end of life care
- Understand how to support individuals during the last days of life

### Assessment

This qualification comprises knowledge units. BIIAB has developed an assessment for each unit. The assessments are marked by the learner's assessor and externally quality assured by BIIAB.

### Progression

Achievement of the qualification offers opportunities for progression, including :

- Level 3 Diploma in Health and Social Care (Adults) for England
- Advanced Apprenticeship in Health and Social Care
- Level 4 Diploma in Adult Care (England)
- Level 4 NVQ Diploma in Management
